SUMMIT SOLUTIONS EXPANDS OPERATIONS

Evergreen, Colorado – October 11, 2005 - Summit Solutions the premier provider of business aviation leadership recruiting and training services announced the company's headquarters has relocated to 1202 Bergen Parkway, Suite 313, Evergreen, Colorado 80439. All existing phone/email contact information will remain the same.

Johnene Vardiman was promoted to Executive Director, Aviation Recruiting and Sales and will oversee operations from the Dallas office: 1-940-565-5048

Bob Albrecht has joined the Summit Solutions team as Director of Aviation Recruiting and is based in Colorado. Bob brings over 25 years of executive recruiting experience to Summit Solutions in the aerospace, IT, and engineering fields. After graduating from Stevens Institute of Technology, Bob worked as an Aerospace Engineer specializing in Flight Control systems. Al Johnson, M.S., Executive Vice President, is still actively recruiting and teaching our newly expanded Human Factors courses.

“These changes are directly attributable to the growth of the industry, loyalty of our clients and their direct referrals that we feel fortunate to experience.” said Jodie Brown, president of Summit Solutions.
